POWER2GO-5

PORTABLE RECHARGEABLE BATTERY

CHARGE YOUR PHONES WHEREVER YOU GO

Features

- **5000mAh of Portable Power**
Recharge any device on-the-go without an outlet.
- **3.1A of Power and 2 USB Charging Ports**
Don't choose which device to charge. High-speed charge multiple devices at once.
- **LED Indicator Light**
The integrated LED light functions as an indicator of how much power the powerbank has left.

Basic Use

- **Powerbank Function**
Plug a USB charging cable into one of the USB ports and into your device. The LED light indicators will light up blue and your device will automatically begin to charge
- **Recharging the Power2Go 5**
When the battery is dead, use the included charging cable to recharge the device for no longer than a 15 hour period. To recharge the device at a faster speed, use a lightning cable in the lightning cable input port.
